Annual Mulch Sale 2012

<hr/> Bags to be delivered <hr/>
DATE RECEIVED TROOP USE ONLY

It's time again for the Boy Scout Troop 572 Annual Mulch sale. Purchasing this high quality, hardwood shredded mulch from Troop 572 will save you the aggravation, time and energy of buying your spring landscaping mulch elsewhere and transporting it home. When you order from Boy Scout Troop 572 we will deliver your bags of mulch to your home and place the bags on the right side of your driveway next to the garage.

This is the major fundraiser for Boy Scout Troop 572. We request your support. All profits go to implementing a Quality Scout program as well as towards the purchase of troop equipment (tents, stoves, lanterns, saws, hatchets, etc.).
