**Most U.S. Catholics believe the Eucharist is just a symbol. The bishops want to change that.**

A 2019 Pew study showed that 69 percent of all self-identified U.S. Catholics said they believed the bread and wine used at Mass are not Jesus, but instead are “symbols of the body and blood of Jesus Christ.”

# CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

- **LEARN** about those living in poverty.
- **ACT** and spread the word about poverty by sharing this flier.
- **CONNECT** with the work of CCHD by supporting the collection.
- **PRAY** for those who benefit from this collection.

**W**e all depend on workers in America's meat-processing plants and animal-feeding operations, who are essential to the food supply chain.

Many of them are immigrants facing language barriers that leave them at a disadvantage when they advocate for safe working conditions, just wages, and fair treatment from employers. The Rural Community Workers Alliance (RCWA) in Missouri helps these essential workers by advocating on their behalf for safe working conditions and by promoting gatherings to address racial divisions in the community as a way to help immigrants and nonimmigrants discover similarities and share their experiences.

The COVID-19 pandemic revealed working conditions at a pork-processing plant that placed workers at risk of infection due to shoulder-to-shoulder work areas and a lack of protective gear. Workers brought their concerns to RCWA and ultimately filed a lawsuit demanding that the company follow health and safety guidelines established by the federal government. Even before the court ruled

on the lawsuit, the company took action to protect workers by installing protective barriers, sanitizing stations, providing masks, and conducting temperature checks. When you support CCHD's mission of working on the margins, you help groups such as RCWA advocate for the health and safety of the essential workers that we all depend upon.

## Give

*We contribute with gratitude and generosity, supporting the mission of Our Lady of Hope, and the broader needs of our community and the world.*

## Stewardship Reflection

I say to you, this poor widow put in more than all the other contributors to the treasury. For they all contributed out of their abundance; but she out of her poverty has put in everything she had, her whole living." (Mark 12:43-44)

Jesus gets right to the point - we are all called to give money to support the mission of the Church, regardless of our circumstance. No gift is too small or insignificant! Giving money to support the mission of our local parish is a matter of our faith, just like praying and participating in parish ministries. When you make a financial offering, is it from your "first fruits" or from what is "left over"?

## From the Pastor

Dear Parishioners of Our Lady of Hope:

We have just concluded the beginnings of our parish stewardship initiative. It was particularly exciting to see folks engaging with one another on Commitment Sunday at our ministry fair in the Parish Hall.

Whether it's our Religious Education program helping to catechize our children or the Knights of Columbus hosting their Pancake Breakfast, the time and talent offered by so many of you helps make Our Lady of Hope the spiritual heart of our parish community.

I also want to thank you for the financial commitments you made to our Offertory. Your financial support helps keep us operating and serving the needs of our parish community. I am especially grateful for your financial support during these challenging times when costs are increasing.

Again, I thank you for your generosity of time, talent, and treasure. As we approach Thanksgiving, I am so grateful for our parish family, and I wish all of you a very happy and blessed Thanksgiving.

Sincerely yours in Christ,

Father Killian
