THE NATURE OF BEAUTY & SACRED MUSIC

When man comes into contact with God, mere speech is not enough. Areas of his existence are awakened that spontaneously turn into song. Indeed, man's own being is insufficient for what he has to express, and so he invites the whole of creation to become a song with him: "Awake, my soul! Awake, O harp and lyre! I will awake the dawn! I will give thanks to you, O Lord, among the peoples; I will sing praises to you among the nations. For your steadfast love is great to the heavens, your faithfulness to the clouds." (Ps 57:8f.) P. Benedict XVI
